Normandy & D-Day

On June 6, 1944, despite mounting challenges, a heroic formation of Allied troops achieved the largest coordinated military invasion in world history on the beaches of Normandy, triggering the beginning of the end of World War II. Gen. Dwight D. Eisenhower's troops faced heavy resistance and saw thousands of casualties, but they succeeded in securing the beaches and marching on to Paris to free France from German control. As both a tactical and a psychological blow to Hitler and his troops, D-Day will forever be remembered as the moment of World War II when the tide began to turn against the Nazis.
