2020 TRAVEL INFORMATION

ELIGIBILITY
The Alumni Journeys program is designed primarily for Johns Hopkins alumni, but we invite anyone interested in educational travel to participate — parents, students, family and friends are welcome to join us.

These unique travel opportunities bring together Johns Hopkins friends and alumni on trips hosted by select members of the university community. It is just one of the ways that the Johns Hopkins University Alumni Association has been fostering community and supporting alumni since 1886. In support of this wonderful tradition, we require that at least one member of the traveling party make a financial contribution of $50 or more to the Johns Hopkins Alumni Association within the fiscal year. To learn more about the important work we do on behalf of all Johns Hopkins alumni, and how your gift will support these efforts, please visit alumni.jhu.edu/support.
