The onboard team of expert naturalists will share their knowledge of New Zealand's extraordinary natural beauty during Zodiac excursions and onboard lectures.

You can choose to participate in the specially designed pre-program extension to the dynamic world-class city of Sydney, Australia, or the post-program extension to New Zealand's Southern Alps and remarkable Queenstown, further enhancing your journey.

This singular itinerary includes the rare opportunity to circumnavigate the South Island and captures the essence of New Zealand's natural beauty, natural history and natural wonders. It is an outstanding value featuring specially negotiated, exclusive airfares at considerable cost savings. Reserve now as Early Booking Savings apply and space is limited.

Experience the natural wonder of each new day as it dawns first in Aotearoa (New Zealand), due to its proximity to the International Date Line.

Enjoy New Zealand's natural history, from the verdant pastures of the Northland beyond Auckland on the North Island to the fiordlands at the tip of the South Island. Experience fantastic scenery—majestic glaciers, cavernous valleys, towering fiords, glacial lakes, rugged coastlines, snow-capped mountains and plummeting waterfalls. Visit the UNESCO World Heritage site of Te Wähipounamu, encompassing 10% of the country and the world's most intact ecosystem dating from prehistoric Gondwana. See southern beech trees and coniferous podocarps, some 800 years old. Look for kiwi, takahē, kea and Hector's dolphin, all found only in New Zealand.

Less than a thousand years ago, Polynesians migrated here followed by Dutch, English and French explorers, all embracing the natural beauty of the islands and cultivating the rich volcanic soil. Immerse yourself in the unique Māori heritage and enjoy firsthand the friendly Kiwi culture—a distinctive merging of the tangata whenua (indigenous) and Pakeha (European) traditions.
