Finally, Homewood Bound!

After three long years, we are thrilled to welcome you back for an Alumni Weekend like no other. In our effort to maximize both enjoyment and safety, all of the green spaces on the Homewood campus will be tented. In addition to the long-awaited showdown between the Blue Jays and the Michigan Wolverines, we’ll have all the events you and your friends have come to love and expect through the years, and then some. Hop Talks headlined by our world-renowned professors and alumni. Tours of our always changing yet ever-familiar campus. Delicious food and plentiful drink, the traditional Young Alumni Tent Party, and the Hullabalooza Dance Party.

But, of course — and you already knew this — that’s not all.

Most exciting of all is the chance to welcome not one set of reunion classes, but three for our reunion celebrations. Reunite with friends from different class years, enjoy special events shared between the classes, and relish in the new memories we can finally make here at Homewood.

To join in on the fun, take a good look at the events schedule and go to the official Alumni Weekend webpage alumni.jhu.edu/reunion for full event details and complete information. Then, complete your registration, invite your friends, and get ready to have fun during Alumni Weekend 2022.
