**Before the event, be sure to download the
Alumni Weekend Goes Virtual App!**

We have created a mobile app that will allow you to view the full schedule of events, network with your classmates and other attendees, as well as access all of the sessions we are offering throughout the weekend with just the click of a button!

To access the mobile app and all of the Alumni Weekend Goes Virtual content, follow these steps:

1. Go to your app store and download the "Eventsential" app
2. Search for and select "JHU Alumni Weekend Goes Virtual" as your event
3. Login and create your social profile to unlock our schedule & networking features
4. Have fun, explore the app & use the [Schedule](#) to access all of the sessions you have signed up for throughout the weekend!

Desktop Access:

[Click Here to access the Alumni Weekend Goes Virtual content on your desktop](#)

Please note that while all sessions are accessible via the desktop browser, to access the social & networking features you must download the mobile app

**We look forward to "seeing" you during
Alumni Weekend Goes Virtual 2020!**
